2021 ADELAIDE HILLS 'SASHIKO' SAUVIGNON BLANC

The 2021 vintage will likely go down as one of the best in recent years. This wine is made from a single block of vines in the Yacca Paddock vineyard in the Adelaide Hills. A cool, wet spring leading into the growing season saw good soil moisture, which led into a warm November and an even and coolish summer with no extreme weather events, resulting in crisper and fresh flavours. The fruit was picked in the cool of the night to maximise freshness. The grapes were then destemmed, chilled and gently pressed into stainless steel vessels. The juice was settled and racked for a long cool fermentation. Once stabilized it was filtered to retain brightness and freshness of flavours.

Tasting Notes

Pale straw in colour, this Sauvignon Blanc has lifted notes of tropical fruit and fresh citrus with a hint of herbaceous character. Tropical fruits continue to the palate with a highlight of passionfruit and lemon leading to mouth-watering acidity. A bright and refreshing wine which has a cool crisp finish.

Food Match

Baked lemon sole with a cherry tomato & fresh basil salad
