

2017 MC SPARKLING SHIRAZ

"Built for Bacon'.....that could well apply to most of the staff here at Teusner Wines but we believe that Sparkling Shiraz came into being as early man began to ponder the age old question.. "What to drink with breakfast".

That's not to restrict ourselves to the first meal of the day of course. You can crack open a bottle of Teusner Sparkling Shiraz whenever you need a lift or have something to celebrate. It is a versatile food wine (try it on Christmas Day with ham!) or is a pleasure to drink just on its own.

The 2017 is our sixth release of the MC and follows in the footsteps of the highly lauded 2013 that racked up 95 points with Halliday, Campbell Mattinson going on to describe;

"There's volume and there's softness but most of all, there's a wide array of flavours. This ramps up the complexity a step or 3. Mushroom, sweet plum, earth, spice and leather flavours combine to beautiful effect. Throughout, it remains fresh. Upper echelon in its style."

CM - Halliday Wine Companion 2021.

Validation of our decision to only pick the best Barossa Shiraz vineyards for this wine, so no surprise we headed to our Albert blocks to source the fruit for this wine. We go easy on the dosage also....aiming for a savoury, pure fruit driven style with fine tannins guiding you to an elegant finish. With extended time on lees the resulting wine, I'm sure you will agree, is delicious drinking and will continue to improve in the cellar over the medium term.

So enjoy the wine....whatever time of day you choose to partake!"
