

Assembly Manual for CLOUD MANOR

Congratulations on your new Petit Puk bed! Get ready to transform your kid's sleeping space into a fortress of imagination, a castle of coziness, and a launchpad for their sweetest dreams! When you follow this step-by-step assembly, you'll breeze through the process.

Quick Checklist:

-  Is everything complete?
-  All pieces in good shape?
-  Do not start adding glue before you made sure all pieces are there and in perfect shape
-  Note! Applying glue to the bed base is **not** mandatory, as it could hinder the disassembly process later on. Let's keep things flexible for future adventures!
-  Ready to take a photo of your great work once completed and share with us?

Ticked all the boxes? Put on your superhero cape, and let's dive into the wonderful world of bed building.

Big wave,
Team Petit Puk

Woohoo!

High-fives all around for a job well done.

We hope your little one is over the moon with their new Petit Puk bed. And why not show off all your hard work? Snap a pic and share it with us on Instagram (tag us @petitpuk) or shoot us an email at info@petitpuk.com. We love seeing our creations come to life in your wonderful homes!

Now, before your kid dives in headfirst, here are a few friendly reminders:

- Stick to mattresses between 8-14 cm thick for the perfect fit.
- Beds are for snoozing, not bouncing
- Keep it safe with just one child on the bunk bed.
- Please, no acrobatics – avoid hanging off any parts of the bed.
- Keep things tidy with a gentle wipe-down of wooden and plastic parts using a dry cloth and mild cleaner.
