KINNEY BLOCK

A lower profile take on the original 1729, the kinney block is a classic architectural surface in the making. Whether you're going for an ultra modern vibe (hello Carbon!) or a more traditional route, this block has a place on any vertical surface.

MATERIAL

premium concrete

COLOR:

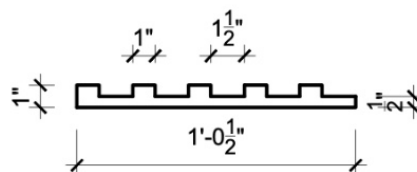

bone, carbon, marine or clay

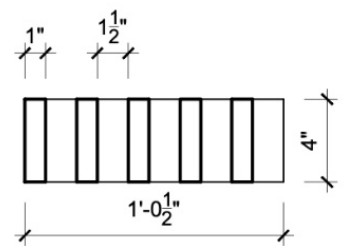

SIZE:

12-1/2"w x 4"d x 1"h
