

**Because keeping you safe is our top priority...
Please take a moment to read through the following
care and use instructions for your new glasses.**

1 The NoCry glasses

Anti-scratch

UV400 protection

The lenses have UV400 protection and anti-scratch treatment.

2 Cleaning your glasses

✓ ✓ ✓ ✗

Clean the glasses only using a dry or water-moistened soft micro-fiber cloth. Do not use chemicals.

3 Storing your glasses

✓

nocry.com

When not in use, store the glasses in a protective case.

4 The glasses are highly adjustable

Temple length & angle

Nosepiece

Adjust the glasses so that they will fit your face securely and comfortably before each use.

5 Fit glasses correctly to avoid condensation

No airflow = Condensation

Airflow

If there is condensation building up on the lenses try to adjust the temple angle.

6 Carefully assess your working environment

✗

IF IN DOUBT

Occupational Safety Professional or Industrial Hygienist

Make sure that the glasses are the most suitable means of protection from potential threats you are likely to be exposed to in your working environment.
