**You must read through the following care and use instructions before using your new gloves.**

## 1 NoCry Tactical Gloves ImpactFit Pro

The gloves are made of water-resistant polyester fabric and microfiber with a water-resistant fastening. They feature PVC knuckle guards and expandable flex joints.

## 2 Caring for your gloves

Wipe with a damp cloth to remove debris and dirt. For a thorough wash, hand or machine-wash them with mild detergent at 68°F/20°C. Do not bleach, tumble dry, iron, or dry clean.

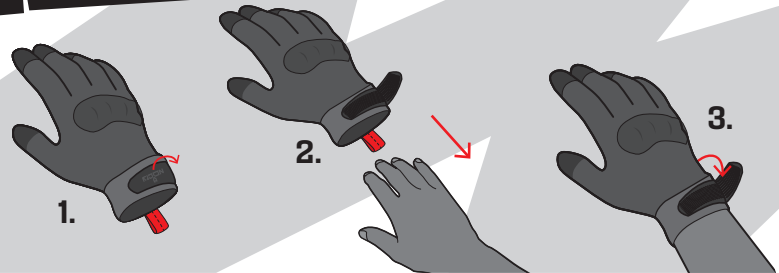

## 3 Storing your gloves

UV-resistant material for using outside in the sun.

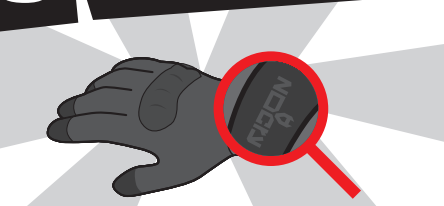

When not in use, store the gloves in a cool, dry place away from direct sunlight and heat to avoid damaging the material.

## 4 Fitting your gloves

1. Open the hook and loop strap at the cuff 2. Slide your hand into the glove. 3. Close the strap and adjust it for a comfortable, secure fit. Ensure that the gloves have a snug fit with no excess fabric.

## 5 Attention!

Before using the gloves, inspect them for any signs of damage, such as holes, cuts, or tears. Damaged gloves should be replaced immediately, as they may not provide adequate protection.

## 6 Carefully assess the working environment/Important things to keep in mind

These gloves have their limits and work best when used with caution. Always follow proper safety procedures and use other protective equipment when necessary. **These gloves should not be worn when operating machinery or power tools.** They may become caught in the equipment and cause injury.
