

## How Autism Ontario and HomeBaker partnered to create a fun and delicious baking event for their members

### The Event

Autism Ontario wanted to create a fun and easy to do Easter activity event for 120 members and their families.

### The Ask

Autism Ontario is a charitable organization representing people on the autism spectrum and their families across Ontario. Autism Ontario wanted to gift their younger members with an educational, yet fun and easy activity to do for their Easter event.

It was vital that the activity was very simple with an hands-on aspect so the members can comfortably bake their goodies.

### The Solution

HomeBaker created a simple sugar cookie baking kit with cookie decorating icing scribblers. There was also an activity sheet in the kit which taught kids the basics about baking. Additionally, HomeBaker partnered with Melting Pot crayons, and created custom crayons with coloring cards. This provided a wholistic activity experience which kept the kids busy for hours.

### The Response

The Response was extremely positive from both Autism Ontario and it's members. Parents sent direct messages to HomeBaker with photos of the experience and even uploaded it on their Instagram stories.

THANKS FOR ALL OF YOUR SUPPORT IN GETTING THE BOXES KITTED AND OUT THE DOOR ON TIME — IT WAS A PLEASURE WORKING WITH YOU.

LOVING THE KIT FROM EAST AUTISM ONTARIO! SPENDING TIME WITH THE KIDS BAKING!
