ANGEL ASWANI
THREE MONTHS OLD, AS LITTLE RED RIDING HOOD

"Our children are only little once, so it's important to me that they have fun. I don't want to be a parent who forces their kids to do things they do not enjoy. With Aaron, five, my eldest son, we tried golf but he didn't take to it so we tried activities such as horse riding and tennis which he much prefers instead. This will be the same approach we take for Angel."
