

RECYCLING INSTRUCTIONS

IKKARI

## A NOTE ON OUR CURRENT PACKAGING

Currently our collection contains glass, bioplastic (created from sugarcane), FSC certified paper and virgin plastic that is either reusable or recyclable (either at kerbside or via IKKARI's Recycling Program facilitated by TerraCycle® Zero Waste Box™ solution available in all AJE ATHLETICA stores). Our boxes and shopping bags are made from cardboard and paper that has been certified by PEFC or FSC, which means our products adhere to the highest environmental and social standards. We are continuing to work with the world's leading innovators in packaging to reduce our environmental footprint.

**1. GLASS BOTTLE**

Our glass bottles were designed with longevity in mind. Please reuse them where possible. At end of life, please place them in your recycling bin.

**2. ALUMINIUM CAP**

Aluminium is easily recyclable. Simply remove the pump and place in your recycling bin.

**3. MULTI-MATERIAL PUMP & PE DIP TUBE**

Please return to your nearest AJE ATHLETICA store to be responsibly disposed of via IKKARI's Recycling Program (supported by TerraCycle's Zero Waste Box™ program).

**4. CARDBOARD BOX & INSERT (FSC CERTIFIED)**

Please place in your recycling bin.

### 1. GLASS JAR

Our glass jars were designed with longevity in mind. Please reuse them where possible. At end of life, please place them in your recycling bin.

### 2. PP CAP & PE WADDING

Please return to your nearest AJE ATHLETICA store to be responsibly disposed of via IKKARI's Recycling Program (supported by TerraCycle®'s Zero Waste Box™ program).
