

AMELIA PARK

[WINES]

2020 AMELIA PARK RESERVE CABERNET SAUVIGNON

Varieties

Cabernet Sauvignon 100%

Region

Margaret River

Vineyards

A single vineyard in the Wilyabrup sub-region of Margaret River is selected for this wine. This vineyard consistently produces perfectly balanced parcels of Cabernet Sauvignon. The site is completely dry grown on gravel loam soils and the quality of the site is reflected in its ability to grow healthy well balanced canopies and ultimately grapes.

Season

The 2020 vintage resulted in some outstanding wines. 2020 was a compressed and early vintage, combined with small yields. All parcels retained the perfect balance of freshness, natural acid and tannin ripeness.

Harvest Date

March/April 2020

Winemaking

Hand-picked fruit is crushed and destemmed to Static Fermenters. Ferments are maintained at cool temperatures with minimal pump overs, to ensure delicate extraction of flavours and colour. The wine is on skins for up to one month and then pressed off to a mix of French oak barrels - forty percent in new and the remainder into second and third use oak for eighteen months barrel maturation.

Analysis

Alcohol 14.5% TA 6.1g/l pH 3.62

Bottling Date

November 2021

Closure

Screwcap

Cellaring

10 years+

Tasting Notes

Our reserve cabernet is a selection of the best cabernet sauvignon parcels from the 2020 vintage. Beautiful forest berry fruits with dark chocolate notes and hints of cedar and graphite. The palate offers dark berries and olives, it is elegant and wonderfully structured with fine persistent tannins. This wine offers excellent cellaring potential.

Tradition. Craft. Quality.
