

AMELIA PARK

[WINES]

2021 AMELIA PARK SHIRAZ

Varieties

Shiraz

Region

Frankland River

Vineyards

We source a single vineyard in the Frankland River Region for this wine. This region is perfectly suited to producing many red and white varieties due to its continental climate combined with low vigour and moderate ripening conditions. We have chosen this particular vineyard for its ability to produce typical Frankland River Shiraz, which as a result of being a cool climate, is intense in colour with ripe flavours yet is elegant in style and structure.

Season

Leading into the 2021 vintage saw fairly ideal growing condition that where warm and dry, Early February and January saw a cooling off and significant rain events that slowed down ripening and retained natural acidity. The only downfall with these conditions was the added pressure in the vineyards to control potential fruit split and disease. Fortunately our vineyards were unaffected and the fruit coming in was pristine.

Harvest Date

March/April 2021

Winemaking

The grapes were harvested during the cool of the night to ensure quality was maintained. A cool fermentation took place in static fermenters and gentle extraction of colour and flavour was achieved over a two week period. After primary ferment the wine was gently pressed off skins to a mix of new and older larger format French oak barrels. After 12 months maturation in barrel the wine was blended prior to bottling.

Analysis

Alcohol 14.5% TA 5.6g/l pH 3.62

Bottling

June 2022

Closure

Screwcap

Cellaring

+10 years

Tasting Notes

This wine is made with fruit from the Frankland River Region of Western Australia, which produces wine with great richness of flavour. A beautiful bouquet of spicy cherry with hints of mocha and jubes. The palate is soft and approachable with gorgeous plum flavours, supported by smooth tannins. Aged in French oak for twelve months.

Tradition. Craft. Quality.
