AMELIA PARK

[WINES]

2023 AMELIA PARK SEMILLON SAUVIGNON BLANC

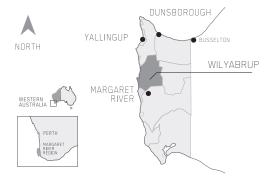

Varieties

Semillon 60%, Sauvignon Blanc 40%

Region

Margaret River

Vineyards

100% Wilyabrup sub-region, Caves Road home black Semillon and Sauvignon

Season

The 2023 vintage was long and cool, picking later than we traditionally do, the cool conditions allowed the grapes too slowly ripen resulting in perfectly balanced flavours and natural acidity.

Harvest Date

March 2023

Winemaking

Machine harvesting during the cool of the night in order to maintain optimal fruit integrity. The grapes are pressed under cool gentle conditions. A portion of the juice is left with solids and sent to stainless steel barrels and completes wild fermentation. The rest is fermented at 12-13 degrees in tank to preserve its freshness. Post ferment the wine is blended and prepared for bottling to retain its fresh fruit characters.

Bottling DateMay 2023

Closure
Screwcap

Analysis

Alcohol 12.5% TA 7.0g/l pH 3.28

Cellaring

3 years

Tasting Notes

Complexity has been added, with a small portion of this wine being wild fermented in steel barrels, giving lifted aromatics. The palate and nose are beautifully aligned with lovely tropical fruit salad and lemon blossom notes, finishes with a fine citrus line.

Tradition. Craft. Quality.
