

Arcola, 07/01/2020

Declaration of Conformity

The following declaration certifies that the following products:

- 1) Epoxyfood resin**
- 2) Epoxyfood hardener**

They are obtained using only raw materials included in the positive list of substances allowed for food contact (**EU Regulation - N ° 10/2011 - 14 January 2011**).

The resin samples catalyzed according to the technical data sheet are also compliant with

the EU legislation for food contact materials

("MOCA" Regulation 1935/2004 / EC)

as demonstrated by the certificate of analysis at external laboratories

TEST REPORT N °
ITAH20001396 of 07/02 / 2020
(Attached copy of food contact test)
