

RuxEco's Storm Window Kits help improve the efficiency of your home by reducing the amount of heat loss in the winter and heat gain the summer through windows. Installing these reusable storm window kits can lead to lower energy bills, increased comfort, and a more environmentally friendly home.

Features

- Crystal Clear 6 mil PVC Vinyl Sheet
- Vinyl is durable, mildew resistant and water proof. Sturdier than plastic film in window insulation kits
- Self Stick Channel Strips come with an adhesive backing which is placed along frame of window
- Frame strips snap easily into frame strips and holds vinyl sheet in place
- Available in Small (36"x60") and Medium (48"x72")

Benefits

- **DIY Solution.** Design allows you to easily cut and install yourself. Tools not required
- **Removable and Reusable.** Simply remove the spline and attached sheet. Re-attach for the next season
- **Energy Savings.** By insulating the windows, save on heating bills in the winter and cooling in the summer
- **Inexpensive solution** to replacing older leaky windows
- **Home Comfort.** Room will be warmer in the winter and cooler in the summer
