CUSTOMIZABLE REQUEST

We understand that every home and project is distinct, and we believe in providing tailored customer service. While we work exclusively with our collections we also can work with various linen colors and sizes for our pendant lampshades. Additionally, we offer customization options such as cord color and length, canopy style and size, and plug-in cord (lead time and price may vary). Please note that customized requests will be available upon the availability of our suppliers.

If you have any questions or special requests, please feel free to contact us at info@laloupedesign.com.
