

***G Bliss RGB***

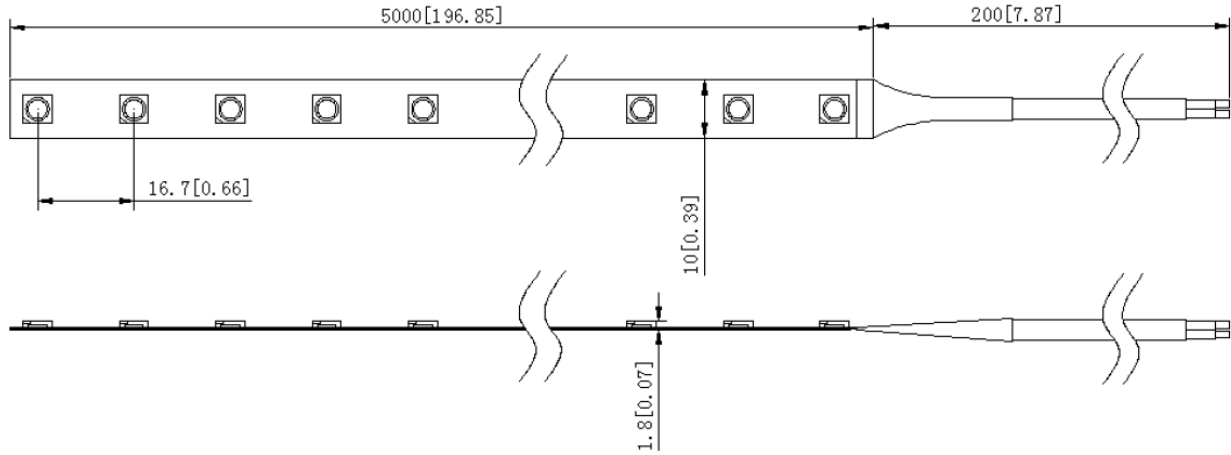

***LED Strip Light***

# Specifications

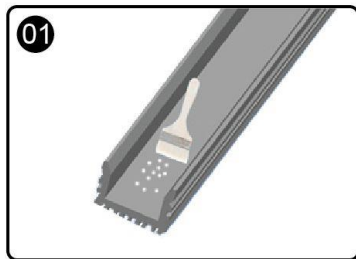

SKU	G12V-RGB-1630 / G12V-RGB-1667
Input Voltage	DC 12V
Power (W/ft)	3.96 W/ft
5050 SMD LED Qty	300 LEDs per Spool
LED Color	Red Green Blue
Length per Spool (ft)	16.4 ft
Strip Width (mm)	10mm
Copper Thickness (oz.)	2oz.
IP Rating	IP-30 , IP-67
Back Tape	3M 300LSE
Working Temperature	-40°C to +60°C
Warranty	6 - Years
Certifications	UL Listed, CE, ROHS
Options	Full Customizable. Logo Print on PCB available.

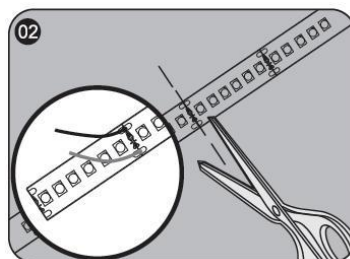

## Profile Drawings

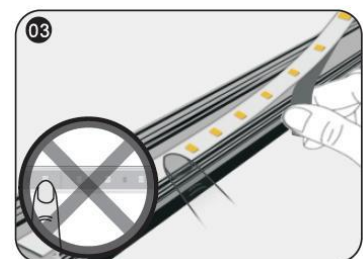

## Installation Instructions

- Clean the mounting surface.

- Calculate the needed length and cut the extra length along the cutting mark if necessary.

- Peel off the adhesive backing tape by section.
- ▲ DO NOT PRESS THE LED BEAD
