Little Bra Company's Lucia bra

November 18, 2009

Bearing a big bosom can be a burden. What may be even worse is barely having any breasts at all. If you're in the latter group, then you know it can be hard to find a sexy brassiere in a size A cup. If it's difficult for you, then it's surely an insurmountable task for the boyfriend who's trying to find sexy lingerie for his partner.

The Little Bra Company, based in L.A., is here to solve those problems, selling a line of sexy, comfortable and stylish lingerie for smaller-proportioned women.

The Little Bra Company's red-hot Lucia bra is the perfect gift to spice up the holidays. In sizes from 28A up to 36B, the luxurious red Lucia features contoured, deep-plunge styling for the ultimate cleavage enhancement with a smooth lace that complements low-cut necklines. Hubba hubba.

It sells for \$55 and can be purchased online or at your local lingerie store.

The Little Bra Company also offers a range of bra styles, from smooth cup to lace, as well as boyshorts, thongs and panties. Check its website for more information.
