PŪRE – Night stand

Assembly Instructions

ATTENTION

Risque de Basculement:

- Installez toujours la table de nuit sur une surface plane et stable.
- Assurez-vous que le sol ne présente pas d'inclinaisons ou d'irrégularités pouvant provoquer un déséquilibre.

Précautions pour les Enfants

- Gardez les petits objets et les éléments de fixation hors de portée des enfants pour éviter les risques d'étouffement.
- Ne laissez pas les enfants sauter sur la table de nuit.

Assemblage:

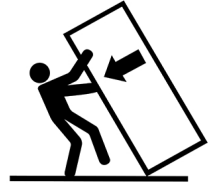

- Assurez-vous de bien ajuster la table de nuit au lit avec les plaques de fixation fournies.
- Fixez correctement toutes les vis et tous les éléments de la structure en suivant les instructions d'assemblage. Toute pièce mal fixée pourrait entraîner une instabilité de la table de nuit.

WARNING

Risk of Tipping Over:

- Always install the nightstand on a flat and stable surface.
- Make sure the floor is free of inclines or irregularities that could cause imbalance.

Precautions for Children:

- Keep small objects and fastening elements out of reach of children to avoid choking hazards.
- Do not let children jump on the nightstand.

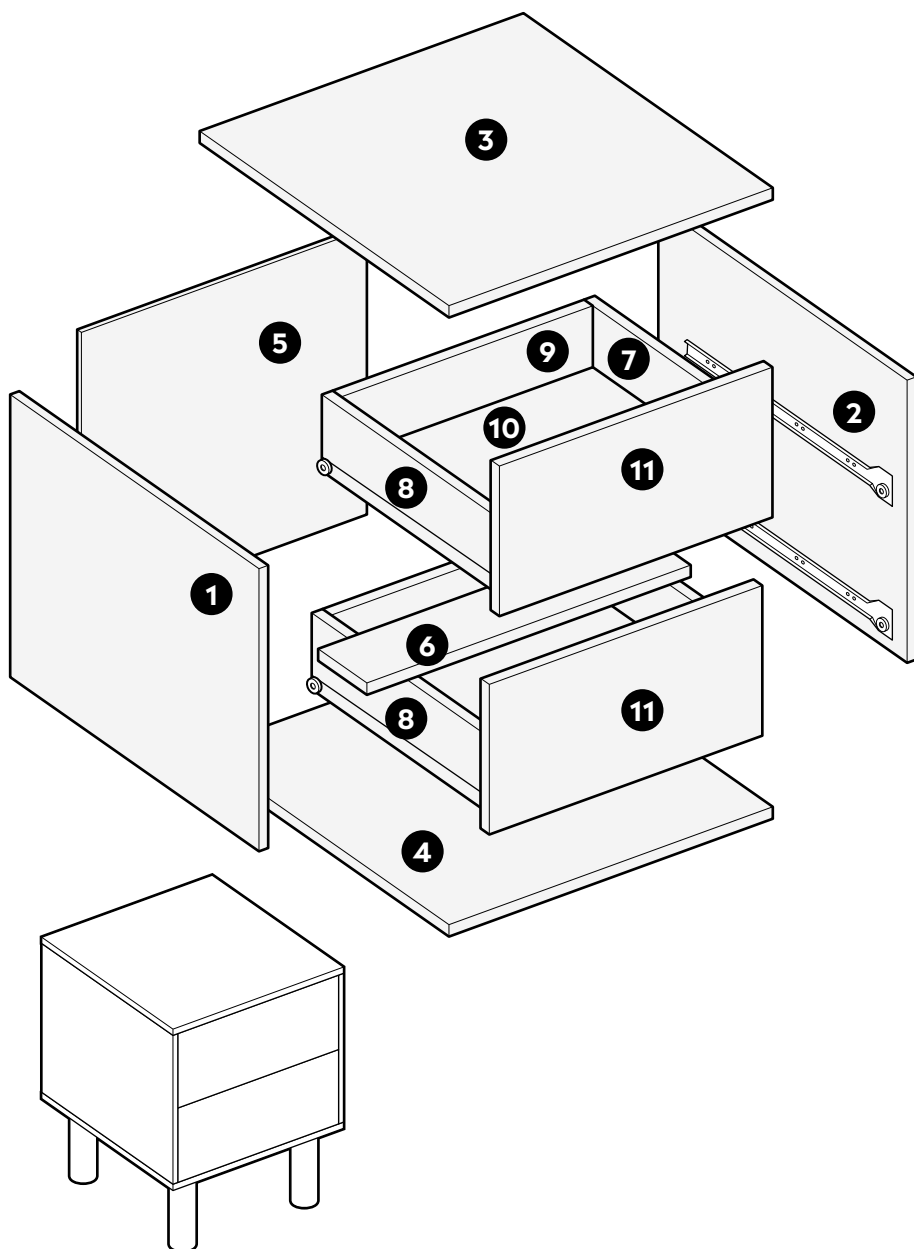

Assembly:

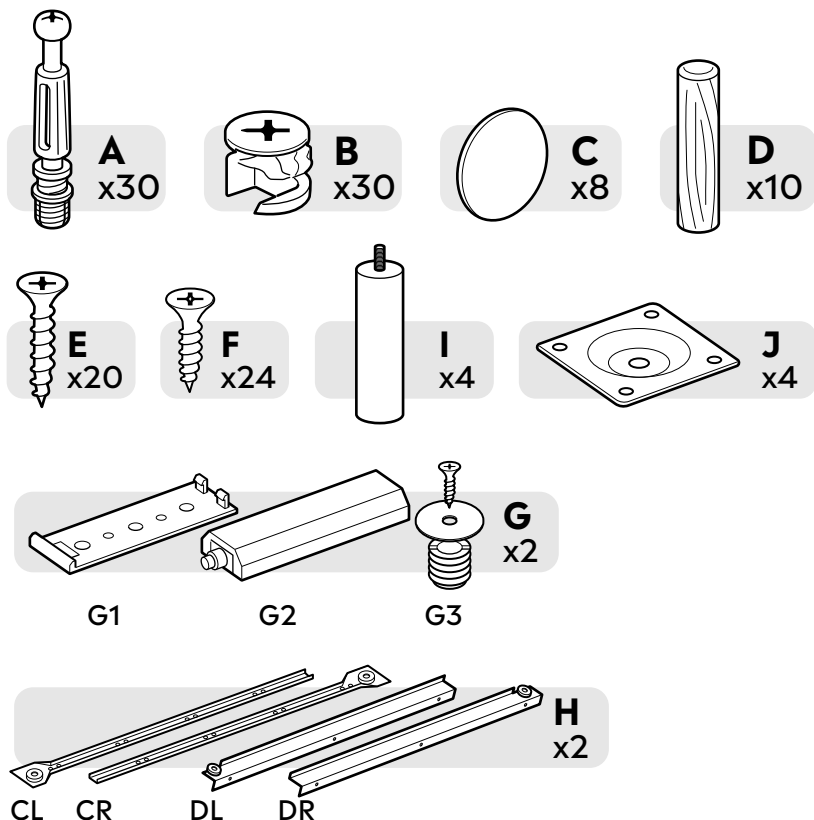

- Make sure to properly align the nightstand with the bed using the provided mounting plates.
- Secure all screws and structural components correctly by following the assembly instructions. Any improperly secured part could lead to instability of the nightstand.

Note:

Avant de commencer l'assemblage, placez une serviette ou un tissu sous les pièces. Ne posez pas les pièces directement sur le sol pour éviter de les rayer ou de les abîmer.

Before starting the assembly, place a towel or cloth under the parts. Do not place the parts directly on the floor to avoid scratching or damaging them.

Note:

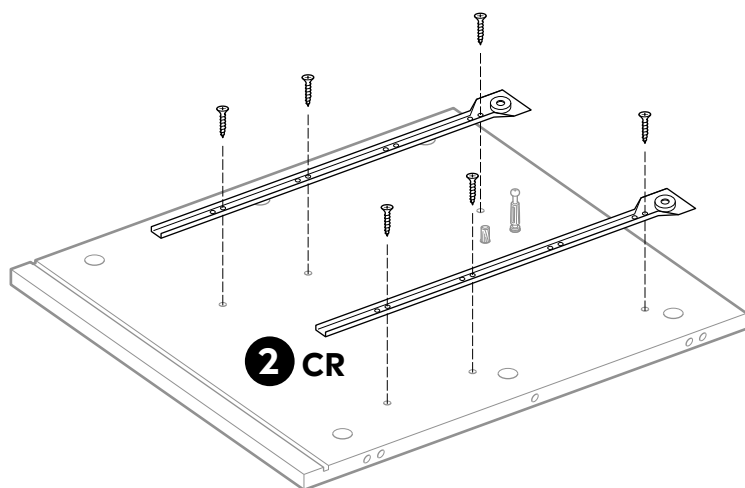

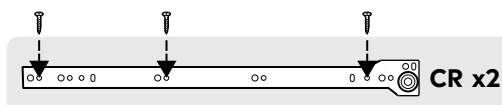

Lorsque vous insérez la vis A dans le trou, assurez-vous de la visser correctement et fermement sur elle-même. Si la vis n'est pas bien fixée, le meuble risque de bouger ou de ne pas être stable.

When inserting screw A into the hole, make sure to screw it in correctly and tightly. If the screw is not properly secured, the furniture may wobble or be unstable.
