Commercial Floors & Walls

3D Sculpted Wall Panels

Transforming walls into decorative contoured surfaces for amazing visual and textural appeal.

- 3D Sculpted Panels offer impactful design aesthetics that are affordable options for your projects.
- Made in USA with minimal lead times.
- We work with our standard designs or your custom ideas, logos and unique shapes.
- Primed & ready to paint panels for any color specified. Or thermo-laminated during manufacture with solid colors, patterns, metallic or wood-looks.
- We do the work upfront to size and lay out multiple panels into any size interior space.

Finish Options

- Unfinished
- Primed "Ready to Print"
- Wrapped in a durable cleanable thermolaminate available in a wide variety of patterns and colors
- Sizes: Standard 4'W x 8'L Sheets or Call for Custom Sizes
