GRABO PLANKIT

Performance Features that are Solutions for Your Projects

- **Exceptional 1,100 PSI Static Load Limit** gives long lasting durability.
- **Unique Fiberglass Backing** provides superior adhesion and dimensional stability. The floor stays in place with no movement once installed.
- **No/Zero Fillers used in manufacture of materials** means only quality controlled factory made components are throughout the floor.
- **Patented iGuard surface and Group T Abrasion Resistance** resist stains while protecting the appearance of the floor long term.

PLANKIT LVT

- Grabo PlankIT is a 2.5 mm thick LVT with durable and unique fiberglass backing. The 22-mil wear layer is designed for commercial application.
- Exceptional 1,100 lb. static load limit and patented iGuard Protective Coating.
- Available in 23 colors and patterns.
- Standard plank size is 7-inches x 48-inches. Custom sizes available.
