

SilverTech Collection

SilverTech Flooring products are manufactured utilizing the finest materials available. A patented process delivers the richest design clarity and depth of color. This material is backed by a 15 year limited warranty covering both wear and manufacturing defects. The durable SilverTech wear surface offers ease of maintenance in the most demanding applications. Using state-of-the-art technology, our vinyl is compactly covered with composite nanometer materials including silver, aluminum, and a revolutionary molecular structure. Through this process, vinyl tiles and planks of superior quality have been created.
