## SAUVIGNON BLANC MARLBOROUGH 2018

### TASTING NOTE

*A classic Marlborough Sauvignon Blanc displaying a vibrant nose with aromas of tropical fruit, herbaceous notes and a lashing of citrus. Time on lees adds a textural quality to the palate, with subtle notes of lemon blossom and passionfruit. The finish is refreshing, crisp and dry.*

### VINTAGE:

2018 will be remembered as being rather unusual for Marlborough, with a run of wet conditions following a period of warm weather. Fortunately our vineyards all fared well, with low yields and careful management ensuring a large proportion was harvested by the end of March.

Above all, we will remember this vintage for its fast and furious nature – blink and you nearly missed it! However the resulting wines are showing a great deal of poise, elegance and subtlety. We are beyond excited to nurture them into the bottle and bring them to market.

### VITICULTURE:

Predominantly from our clay-rich hillside Raupo Creek vineyard, which as a gentle north-west facing aspect, settled in the centre of the Omaka Valley. The other proportion is drawn from our Noa vineyard at the western end of the Wairau Valley.

### WINEMAKING:

Certified organic grapes were hand-picked and whole bunch-pressed before being fermented with a selected yeast, Alba Fria. A cool fermentation took place to retain the freshness and fruit quality of the wine. After remaining in a stainless steel tank on lees for two months, to build texture into the wine, the parcel was stabilised and filtered prior to bottling.
