

Junior / Travel Pillowcase

12" x 16"

Fabric Requirements:

½ yard for body

6" x WOF (width of fabric) for cuff

2 ½" x WOF for accent

Cut Fabric Size:

Piece A - (cut one) 13 ½" x 33" for body

Piece B - (cut two) 6" x 13 ½" for cuff

Piece C - (cut two) 2 ½" x 13 ½" for accent

Instructions:

1. Take *piece C*, fold it lengthwise wrong sides together and iron, making a center crease
2. Lay *piece B* with right side up on table

3. Lay *piece A* right side up on top of *piece B* with raw edges aligned along the 13 ½” side (top)
4. Place folded *piece C* (accent) and align raw edges on the 13 ½” side of the previous *piece B* and *A*. You should now have a sandwich stacked 3 fabrics high (bottom to top: B, A, C) with all raw edges aligned on the 13 ½” side
5. Take the bottom of *piece A* (body) and roll all the way until it sits halfway into *piece B* (cuff)
6. Take bottom of *piece B* (cuff) and roll it around the body, securely pinning all raw edges together, being careful to avoid the rolled body. You can call this the ‘rolled up taco’
7. Sew ¼” seam along the pinned area of all of the layers, along the 13 ½” side
8. Pull the body section out, causing the entire cuff to flip right side out
9. Press flat, making sure you don’t have any pleats along the seams
10. Flip the piece around so the bottom is now the top and repeat steps 1 to 9 on this opposite end. There should be a cuff and accent piece on both ends of the body fabric
11. Fold in half with wrong sides together and pin along the sides
12. Sew the sides together with wrong sides facing each other using a ¼” seam on both sides, leaving the top open
13. Trim to 1/8” from each side seam
14. Flip the pillowcase with right sides now facing each other and iron flat
15. Stitch both long sides with a ¼” seam. This is known as a French seam and leaves no raw edges
16. Flip the pillowcase back with right sides facing out and iron flat
17. Place a 12” x 16” pillow form inside and enjoy!
