WISE | 乐水

WISE | 乐水

智者见山，仁者乐水，
管理者的胸襟如潮水浩瀚，
宽广无垠，有滴水穿石的强硬，
也有细水般容纳万物的细腻

The wise see the mountain, the benevolent enjoys the water, the manager's mind is as vast as the tide, broad and boundless, with the hardness of dripping through rocks, and the delicateness of holding everything like fine water.

RAY | 睿

Ray班台汲取“折纸”元素，
仿佛一个果决的动作，将坚硬的金属，
轻松一折而成。轻飘却充满了稳定的力量，
如同企业行进路上的明睿果断。

Ray's desk absorbs the "origami" element,
As if a decisive action, the hard metal,
Made easily. Light but full of steady power,
Just like Mingrui and decisive on the way of
the enterprise.

RAY | 睿

RAY | 睿

Ray team absorbed the "origami" elements, as if a decisive action, will be hard metal, easy to fold. However, it is full of stable power, just like the bright and decisive enterprise on the road.

RAY | 睿

睿系列在外形上表达了干净直挺的线条造型，实心压铸的台脚赋予了它产品稳定的厚重感。台脚的表面电镀工艺处理，体现了产品的高级感。台面板四边的斜面边型处理，缓解了使用者长时间办公带来的手臂支撑的力度。隐藏式走线摒弃了所有繁琐的支节，单螺丝安装便捷新颖，结构稳定。

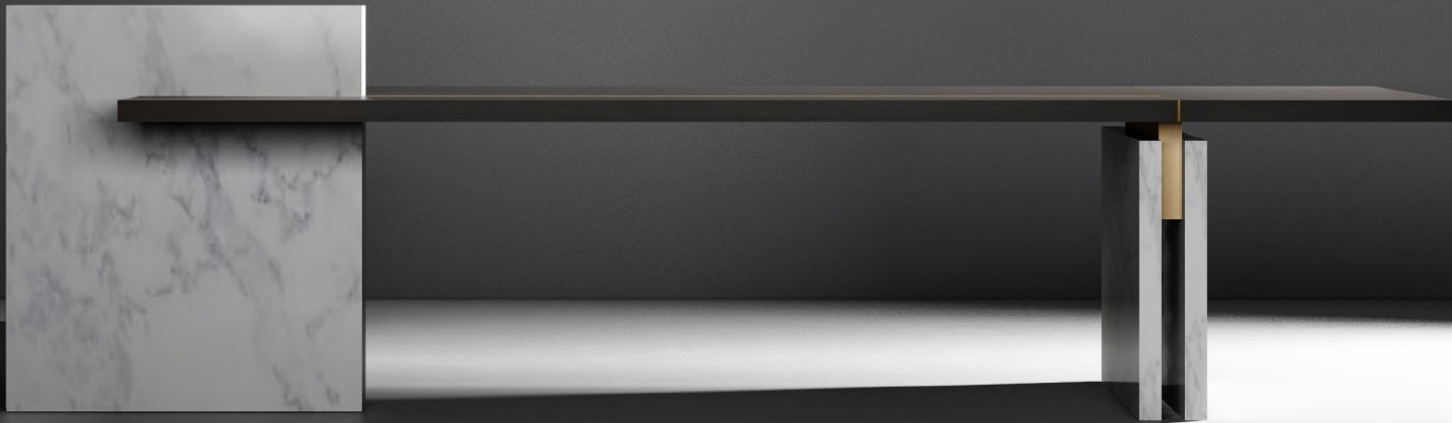

Ray series expresses a clean and straight line shape in appearance, and the solid die-cast table feet give it a stable and heavy feeling. The surface electroplating process of the table foot reflects the high-level sense of the product. The beveled edge treatment on the four sides of the countertop relieves the strength of the user's arm support caused by long working hours. Concealed wiring eliminates all cumbersome branches, single screw installation is convenient and novel, and the structure is stable.

STONE | 见山

“见山”是寓意人生对世界最终阶段的认知。

“STONE” means the final stage of life's cognition of the world.

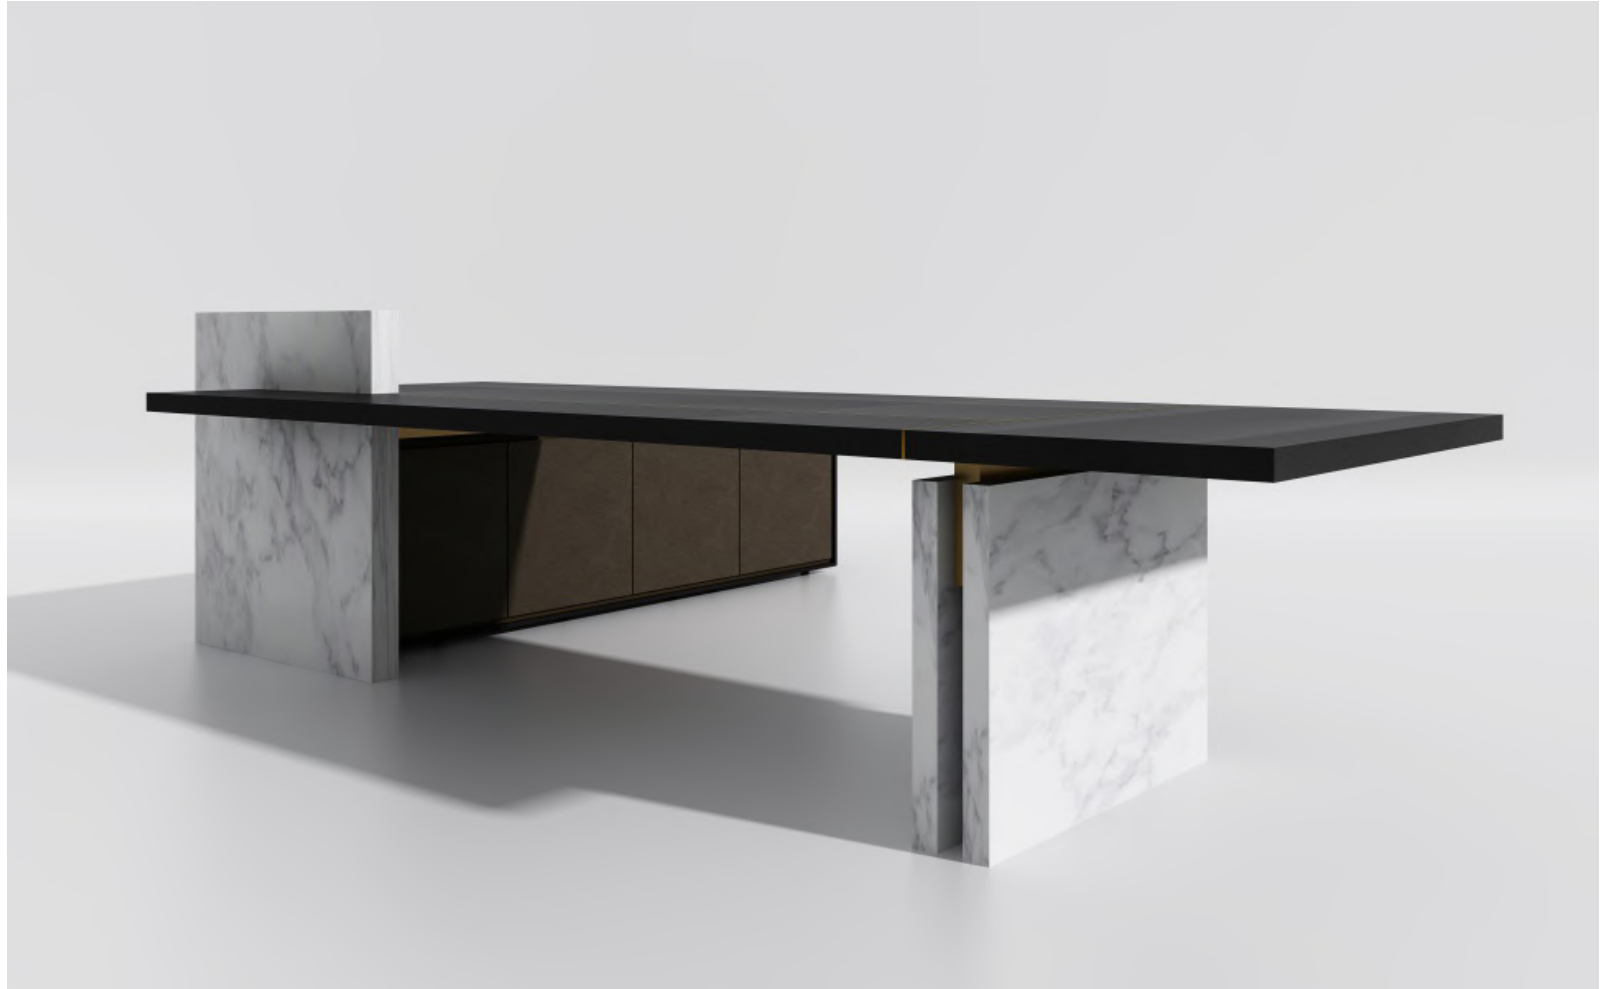

孔子说：“智慧的人喜爱水，仁义的人喜爱山；

The master said, "the wise love water, and the righteous love mountains.

仁者之乐，就像大山一样，岿然矗立、崇高、安宁。

Beneficent joy, like a mountain, stands firm, lofty, peaceful.

STONE | 见山

The marble table feet are not only concise from the structure, but also from the appearance to convey the idea of transparency, highlighting the king style of the user king in the world.

SIMPLIFICATION

“见山”系列里我们采用传统的实木与优质皮、大理石、黄铜等特殊材质相结合，创造出具有东方设计新理念的产品系。大理石的桌脚不仅从结构上精简，且从外观上也传达了通透之意，彰显了使用者君临天下的王者风范。

We use traditional solid wood and special materials such as high quality leather, marble and brass to create a new concept of Oriental design. The marble table feet are not only concise from the structure, but also from the appearance to convey the idea of transparency, highlighting the king style of the user king in the world.
