

Words of Wisdom

Forget crumbly cookies. These fortunes come in keepsake 14kt-gold-plated brass lockets inspired by vintage storybooks. Create your own personalized message for a loved one (like a child going off to college) or choose from inspirational sayings. **(Book Locket, originally \$58 each, now 20 percent off with code OPRAH; fortuneandframe.com)**

Just Roll with It

Here's a fun toy you can share with the kids! This skateboard is made from recycled materials and has a nice and grippy perforated deck (for nonskaters, that's the top part) in cool colors to ensure a smooth ride. **(27" Complete Skateboard, \$149; lander.la)**

Smart Specs

Spice up your glasses game with these stylish two-tone readers that temper harmful blue light and glare and have anti-smudge lenses. **(Caddis Eye Appliances Soup Cans glasses, \$95 each; caddislife.com)**

In the Picture

No more cramming your kid's artwork on the fridge. Send in their prized pieces and the company will have them professionally photographed and compiled into an artful framed mosaic. **(Artkive custom-framed 26-inch x 26-inch mosaic print, \$249; and separate Artkive box to send artwork, \$39; artkiveapp.com)**

Piece of Work

Keep your office mobile with this handy-dandy set that comes with everything from binder clips to scissors to staples. It all folds up in a snappable felt case complete with a display stand for your mobile device. **(Three by Three Seattle Jobblock Portable Office Set originally \$40, now 20 percent off with code OPRAH; threebythree.com)**
