

#GOODTEES FUND

Guidelines and Exclusions

Guidelines

To request our support, you must be a UK-registered charity which has been operating for a minimum of two years and have at least at least three Trustees, Directors or Management Committee members. You also need a safeguarding policy if you are working with children young people or vulnerable adults.

Exclusions

We do not accept requests from the following

- Organisations that are not registered as charities
- Charities which have been operating for less than two years
- Individuals
- Animal Charities
- Environmental Charities

We want to keep this process simple as we know how much time and energy goes into fundraising. Here's how it works:

1. Please carefully read our guidelines and exclusions to make sure that you are eligible to apply.
2. Fill in the partnership request form online. Please note that you cannot save this and log back in so it's a good idea to draft your answers on a Word document first, then copy and paste it into the form when you're ready to submit. Please keep a copy for your records too! Please pay attention to the word count for each question: we will contact you if we feel that we need more information.
3. We will only contact you if you are successful, and we will keep all approaches on record for a year. If you have not heard back from us within the year, you are welcome to apply again. We will be deciding on beneficiaries on a quarterly basis.
4. If you are unsuccessful, we will unfortunately not be able to offer you feedback, due to the volume of requests we receive.
