

PART# SPCK

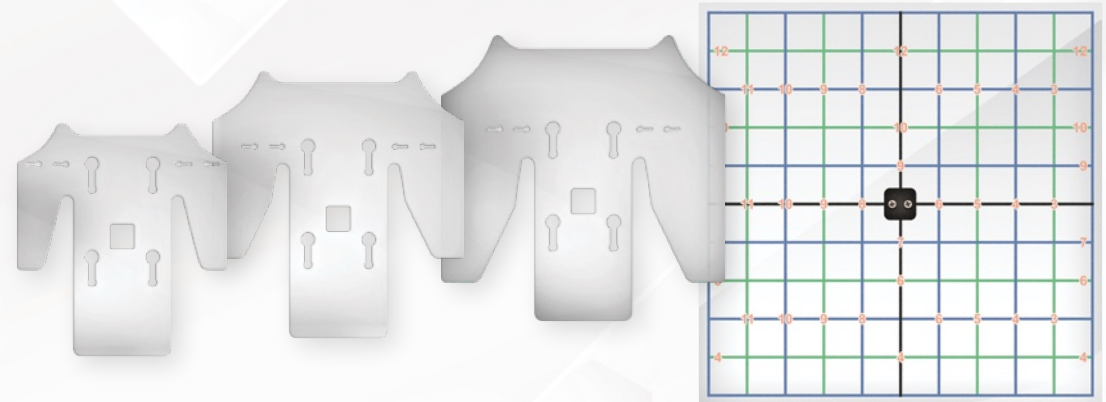

COMPATIBLE WITH

## SHOE PLATEN

Diversify your product offering by providing customized footwear to your customers. The **Shoe Platen** comes with a Mounting Kit, three sizes of shoe inserts and an alignment grid.

## SHOE PLATEN INSTRUCTIONS

### STEP #1

Select insert and cover with double-sided tape.

### STEP #2

Mask off areas of shoe not to be printed and align the shoes on the insert and press down.

### STEP #3

Align artwork with included grid or Acculine.
