1

MUST READ BEFORE FIRST USE

IMPORTANT: Review all warnings before proceeding.

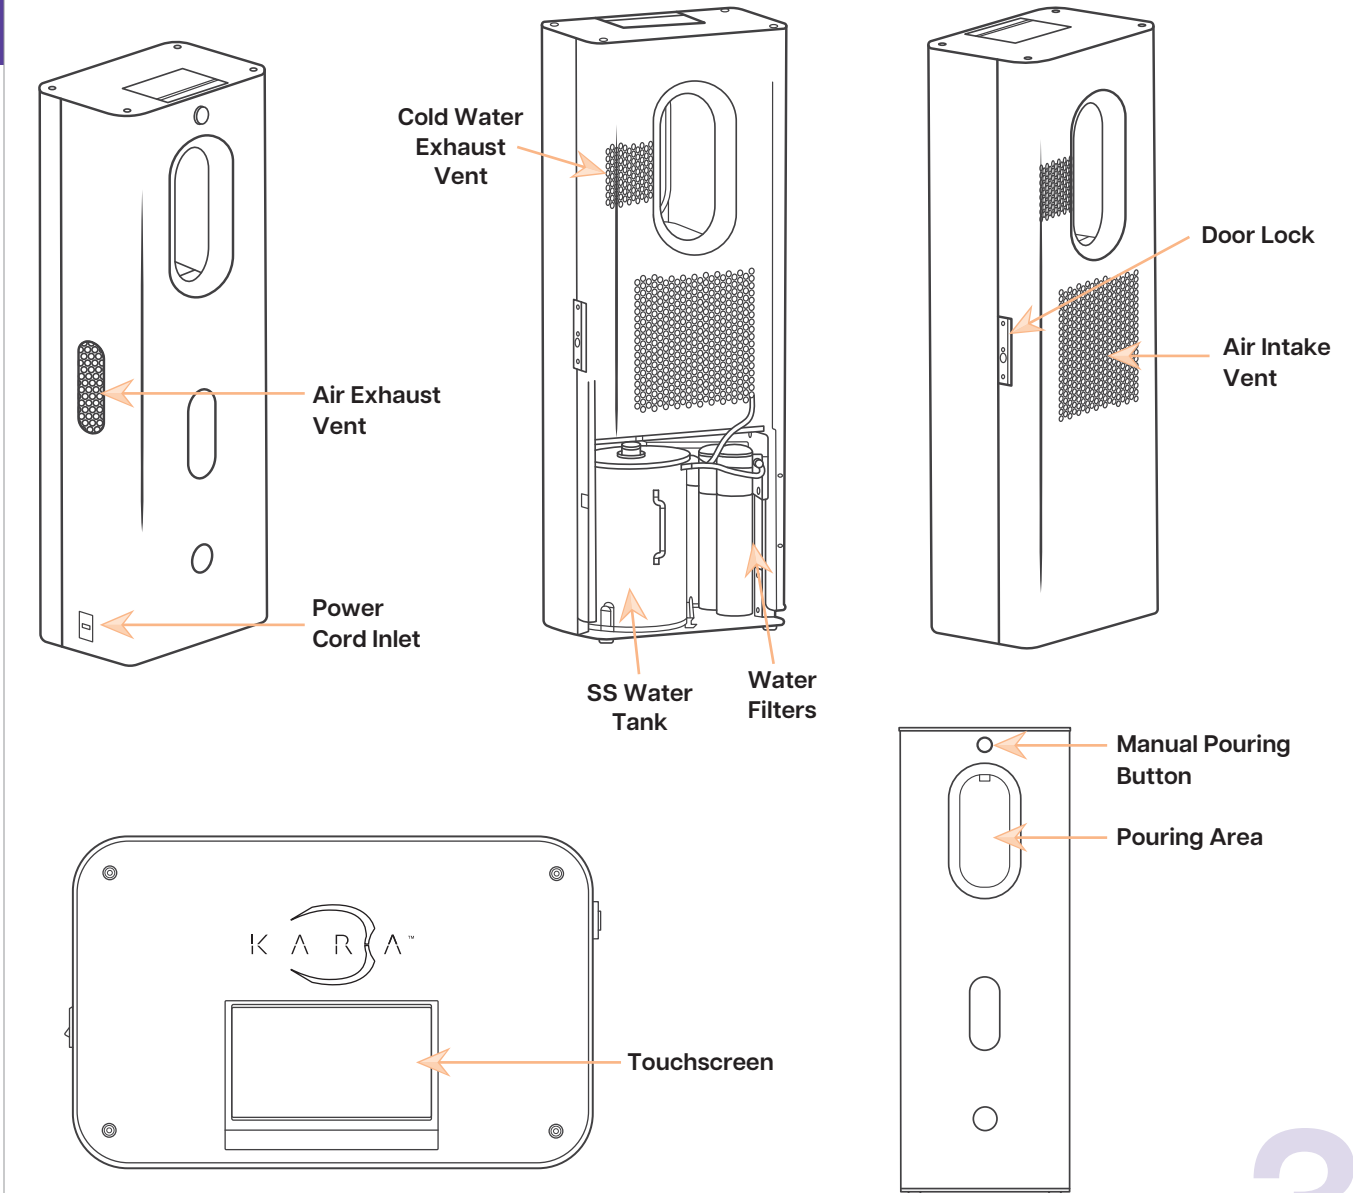

NOTE: Kara Pure has built-in UV lamps in all water storage areas. To ensure the quality of the water, please keep Kara Pure on at all times to ensure that the UV lamps are continuously functioning.

Warning: DO NOT USE HOT WATER DURING SETUP, PRIMING OR DURING FILTER CHANGES

1. You must follow the unboxing instructions to ensure you retain the integrity of your shipping packaging in case a return is necessary. Returns will not be accepted without the original packaging as it is specifically designed for Kara Pure 2. Unboxing instructions can be found on page 4
2. Unboxing may require 2 people.
3. Do not lay Kara Pure down. You must unbox vertically.
4. Place Kara Pure at least 6 inches away from walls or obstructing surfaces on all sides
5. Kara Pure must remain upright at all times, especially during transport.
6. Do not operate without filters
7. Do not open the water tank while Kara Pure is on
8. Do not place cups or any other object directly on the LCD screen
9. Kara Pure requires regular filter, air filter, and possibly other maintenance. Please refer to the Full User Manual for more information on required maintenance.
