

Melamine Drawer Boxes

DBS Melamine drawer boxes are available in a variety of colors, are moisture and scratch resistant, and can be manufactured with either doweled or nailed corners.

**Clean and
Modern at a
Budget-friendly
Price**

Our Melamine drawer boxes offer a clean, modern look at a lower cost point. They are commonly used in kitchen cabinet, closet and commercial applications. All of our drawers are custom and made to your specification. We can build one or as many drawers as you need. We stock Melamine in 1/2" thickness in black and white and both particleboard and MDF cores.

Features

- Melamine is stocked in black and white but is available in a wide variety of colors
- Available with either a particleboard or MDF core
- Melamine boxes can be manufactured with either doweled or nailed corners
- DBS uses thermal-fused Melamine which offers both moisture and scratch resistance
- Also available in an FSC/NAUF certified version
