LASELL FASHION

After releasing a Lasell Fashion athletic tee last spring, we were receiving a high number of requests to bring back more Lasell Fashion products. This semester we have released a Lasell Fashion Hoodie in Ash Grey with the coziest material perfect to pair with any outfit on a chilly summer night! Our Lasell Fashion Warped Tee is one of our newest arrivals with a graphic designed by Sophia Mazzone. This tee features a funky design in Pantone's color of the year "Very Peri"!

SPOTLIGHT ARTIST

Senior Fashion Design Major Madison Wantman has created a collection of handmade tote bags you can shop now in store. These bags come in a couple different styles and patterns that we love!

LASELL HOODIE

This mid-weight light blue hoodie is the perfect piece to show your school spirit. Rep Lasell in style with this hoodie! Sophomore Communications student Maddie Leung designed this awesome graphic. Make sure to shop these hoodies and all of our products in store or online at www.studio1851lasell.com

This semester we have five graduating seniors: Karina Fernandes, Marie Zampano, Laurie Kanyamuneza, Madison Cormier, and Zoe Nadeau. We are so proud of all they have accomplished and contributed to studio1851's success! Best wishes to this phenomenal group of seniors and congratulations class of 2022!

Congratulations Class of 2022
