BIO-ENZYMATIC NEUTRALIZER

- ALL-IN-ONE | READY TO USE
- MULTI-SURFACE ♦ MULTI-PURPOSE
- ALL NATURAL ♦ BIODEGRADABLE
- ECO-FRIENDLY

TKO+ provides an excellent breakdown of body secretions, starch, carbohydrates, protein, grease, oil, blood, urine, feces, vomit, and rancid bacteria in drains.

Use it in commercial and home type laundries. It is also good for cleaning floors, walls, toilets, urinals, sinks, and all types of fixtures and surfaces not damaged by water.

It kills odors instantly and removes the lingering odor from uric acid and more.

Use on Carpets and Hard Surfaces
Test on small inconspicuous area before application.

Pet Stains on Carpets: Spray TKO+ **UNDILUTED** and liberally to the soiled area. Brush in a circular motion for complete penetration. **Seven strains of all-natural bacteria produces seven powerful job-specific ENZYMES that break down and remove odors permanently.**

Vomit and Fecal Matter on Carpets: Remove as much solid material as possible. Spray the affected area with **UNDILUTED TKO+**. Bacteria will produce enzymes that break down and remove odors permanently.

Dilution Option: For heavy conditions use **TKO+ straight/undiluted**. For medium-to-light conditions **mix -1- part of TKO+ with 1 part of water.** (visit www.tkodors.com for more information)

Laundry Prespotting: Spray food, blood, grass or other protein stains and wait 30 minutes. Wash laundry as usual.

Never use with chlorine bleach.
Not for Topical Skin Use.

TOTALLY KILLS ODORS

Knocks Out
 ♦ Stains
 ♦ Urine
 &
 More!

Instant MULTI BIO-ENZYME Cleaner
 Net Contents 1 Gallon - 128 OZ. (3.78 ML)

Eliminates
