

# DISC O' SIT

The Disc'o'Sit perfectly adapts to pre-primary and primary school chairs. Apart from being a valuable support to be used on the chair for postural control, it can be used on the ground as a tool to perform balance and motion exercises.

Dimensions: 32 cm diameter

Use with other PlaySoft blocks to create obstacle courses to challenge your child's motor planning.

1

Standing and balancing on the Disc'o'Sit

2

Throw and catch while balancing on Disc'o'Sit.

3

Sitting at a table while balancing on the Disc'o'Sit.
