

PACIFIC RUBBISH BAG BLACK 80L ROLL

The Pacific Rubbish Bag Black 80L Roll is designed for ease of use and effective odour elimination, this offering a convenient solution for waste disposal in kitchens. With outstanding stretch and strength, these bags are tougher and more tear-resistant, ensuring reliability for handling heavier loads. Featuring a star-sealed design, these bags effectively eliminate leaks, maintaining a cleaner and more hygienic environment. These bags mould better to the shape of the rubbish bin by spreading refuse around the bag.
