

RUBBERMAID CLASSICS OPEN TOP 193L STAINLESS STEEL BIN

The Rubbermaid Classics Open Top Stainless Steel Bin combines durability and style, ideal for high-traffic areas both indoors and outdoors. Its perforated heavy-gauge steel construction ensures longevity and a modern look. The bin features a cable-secured lid for easy waste collection, a leak-proof rigid plastic liner for hygiene, and adjustable leg levelers for stability on uneven surfaces. Discreet retainer bands hold liner bags securely in place, making this bin a practical choice for malls, offices, and public spaces.
