- Choose between a spectrum of colors and dynamic, flowing color-changing effects
- Folding ball joint tripod stand allows for easy positioning and option to use handheld
- Multi-functional for live stream, social media, video chat, reading, and more!
- Powered by the attached 6ft USB cable with built-in controls

What's Included

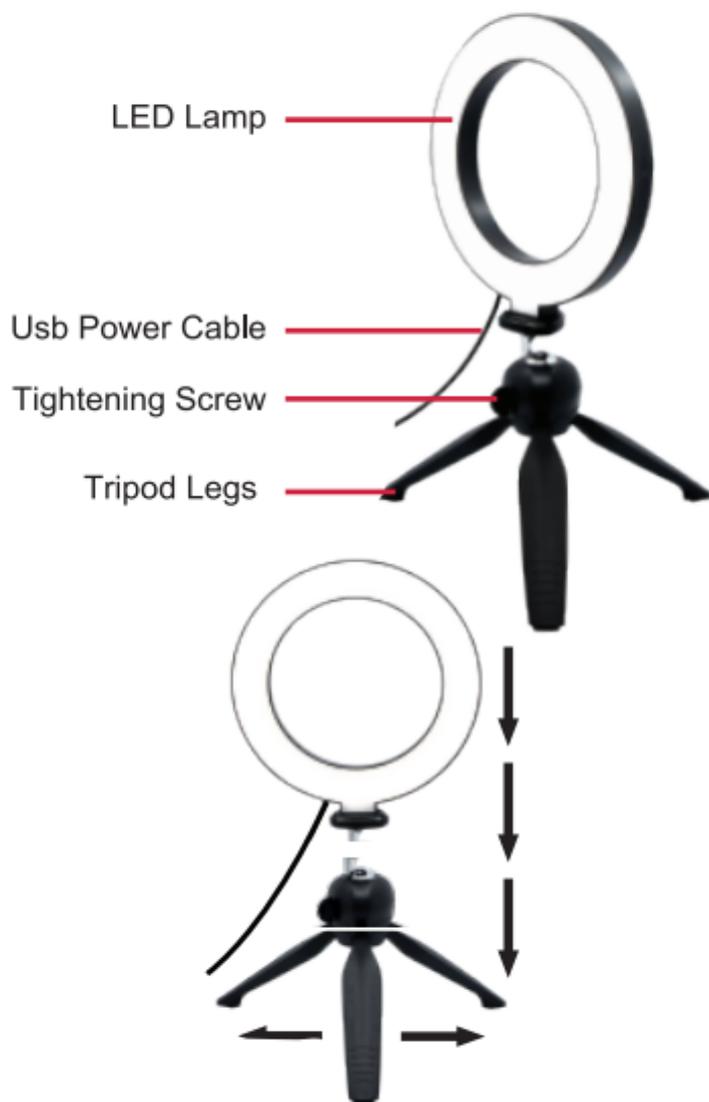

- 6" Ring Light Tripod Stand
- Quick Start Guide

Safety Instructions

Please read and understand all instructions before using this product. If damage is caused by failure to follow the instructions, this warranty is null and void.

- Keep these instructions.
- Do not drop, puncture, or disassemble this product.
- Do not use any abrasive cleaning solvents to clean the LED ring light, as this can cause damage.
- Do not expose this product to dripping or splashing of drinks or liquids of any kind.
- Avoid long exposure to direct sunlight, which may cause damage.
- Do not expose the LED ring light to extremely high or low temperatures.
- Do not expose this product to open flames.
- Do not use the product in a strong magnetic field.
- Do not attempt to repair the device or open the unit as this will void the warranty.
- Before storing the LED ring light, ensure that it is clean and dry. Store in a cool and dry place.
- Do not use the product if it has been damaged in any way.

The 6" LED ring light is the perfect companion for creating social media content, vlogs, video tutorials and more. With its portrait style LED ring light, experience well balanced light distribution while capturing photos or video recordings.
