Donation Date: 03/03/2024
Sana Rakhangi - The Keffiyeh Studio

United States of America

Dear Sana Rakhangi,

Thank you for your generous donation of \$1,000.00 USD to support our Urgent Gaza Relief and Recovery efforts for children in the Gaza Strip. Please consider this letter your tax-deductible receipt. No goods or services were provided in exchange for your donation.

Over one million children in Gaza are enduring some of the most severe traumatic conditions globally, with thousands injured and thousands more rendered homeless and displaced. Essential resources like clean water, electricity, and adequate healthcare are in critically short supply. For over thirty years, the Palestine Children's Relief Fund (PCRF) has been at the forefront, providing vital humanitarian aid and medical relief to thousands of sick and injured children in the Gaza Strip. Our efforts include deploying hundreds of international volunteer doctors and nurses annually to offer critical medical treatments and training to local medical staff, ensuring that thousands of children receive the care they urgently need. Additionally, through the PCRF Treatment Abroad Program we arrange medical treatment for hundreds of children who cannot access necessary care locally.

Our broad humanitarian relief endeavors encompass a diverse range of programs, including the Gaza Mental Health Program for traumatized children, specialized care for amputees, orphan and medical sponsorships, all providing essential medicine, food, and comprehensive support to thousands of children each year. In 2019, we reached a significant milestone by establishing the first pediatric cancer department in Gaza. These initiatives, along with our commitment to supporting orphans and facilitating medical sponsorships, ensure that vulnerable children receive the holistic care they desperately need.

During these challenging times, your support is crucial for the continuation of our humanitarian work in Gaza. PCRF is committed to utilizing donations effectively and transparently, underscored by our eleven consecutive 4-star ratings from Charity Navigator. We are deeply grateful for your support and pledge to

keep you informed about how your generosity is making a meaningful difference, saving lives, and offering hope to the children of Gaza.

Sincerely,

Palestine Children's Relief Fund Family
