## PLASTIC BASE GRATES

### FOR INTERNAL & EXTERNAL USE

**Looking for something with that stylish heelguard look but are on a budget?**

Network Steel's plastic base grates are the perfect option as they have the functionality of the full stainless steel grate but with a plastic base instead.

**Our plastic base grates come in a range of sizes to make sure we have what you need for your project right off the shelf ready to install.**

For pricing and availability or to order, visit our website [www.networksteel.com.au](http://www.networksteel.com.au)

# ➤ PLASTIC STRIP DRAIN KIT + SS HEELGUARD GRATE

These drain kits are typically used in pedestrian traffic areas such as bathrooms, walkways, pool areas, patios and many more. Pet Friendly, with smaller gaps in the bars to prevent leaves and foreign items from blocking up your drain. **If you're looking for something modern and stylish, these kits are available in a stainless steel finish or a black finish.**

Each length sold includes an accessories pack with 2 end caps, 1 joiner and 2 outlets. These DIY kits make it simple and easy to install in any application. **For accessories and kits refer to page 3.**
