

Joto Imaging Supplies Sustainability Summary

Our Commitment

At Joto we are committed to being a sustainable company to help create a healthy environment for current and future generations. We recognize the importance of conducting our business in a socially responsible manner, we will continue to work towards a greener future for our society.

Initiatives

Energy

- To reduce electricity usage Joto uses Ecolux lighting throughout our head office.
- Joto installed occupancy sensors in select areas of the office to minimize electricity use.
- Joto is proud to use an electric forklift saving roughly 12,000lbs of liquid propane gas per year.
- Joto has installed timers on heating and cooling thermostats to reduce consumption during out-of-office hours.

Greenhouse Gas

- Joto has placed additional effort in employee carpooling.
- Joto has partnered with One Tree Planted, we have committed to plant 1 tree for every 1000 sheets of paper sold.

Waste

- Joto has eliminated personal desktop printers.
- Multiple recycling initiatives are in place for plastics, metals, paper, wood, ink and toner products.
- Joto is proud to donate all tested textile items to non-profits.
- Joto has implemented composting since 2017.
