

POWERBAR AMINO MEGA LIQUID

Food supplement with whey protein hydrolysate including all essential amino acids.

PRODUCT DESCRIPTION

After intense endurance or strength training sessions, your muscles are exhausted. Protein is needed as a "building block" to help maintain and build muscle mass. PowerBar Amino Mega Liquid contains high-quality, easily digestible whey protein hydrolysate and free amino acids. In addition, it also provides vitamin B6, which contributes to normal protein metabolism. The convenient ampoule fits in any pocket, so you can supply your muscles with important protein building blocks right after your workout!

- High quality whey protein hydrolysate plus extra BCAAs (branched chain amino acids: L-leucine, L-valine, L-isoleucine)**
- With all nine essential amino acids (protein building blocks that cannot be synthesized by the body itself and must therefore be supplemented).**
- With vitamin B6**
- Free from aspartame**
- Gluten-free**
- Suitable for vegetarians**

All PowerBar products are included in the Cologne List®, and as a result we can offer athletes even more security and trust.

SUGGESTED USAGE

2 ampoules/ day.

Shake ampoule well before use.

This food supplement should not be used as a substitute for a varied diet. A balanced diet and a healthy lifestyle are important. Do not exceed the recommended daily intake.

Keep out of reach of young children.
