

POWERBAR MAGNESIUM LIQUID

Food supplement with 250 mg magnesium.

PRODUCT DESCRIPTION

As an athlete, it is important to ensure a sufficient magnesium intake. Magnesium is an important mineral for normal energy metabolism and normal muscle function. Magnesium also helps to reduce fatigue and is one of the 5 electrolytes that are lost the most during exercise due to sweating. The PowerBar Magnesium Liquid ampoule offers 250 mg high-quality magnesium plus vitamin B6 and fits in any pocket thanks to its practical format.

- 250 mg high-quality magnesium plus vitamin B6**
- Magnesium contributes to normal energy metabolism and normal muscle function**
- Vitamin B6 contributes to normal protein and glycogen metabolism**
- Free from aspartame**
- Lactose- and gluten-free**
- Suitable for vegetarians and vegans**

All PowerBar products are included in the Cologne List®, and as a result we can offer athletes even more security and trust.
