EN USER INSTRUCTION & OPERATION MANUAL

VeryMerry

Thank you for purchasing this VERYMERRY product.

Please read the user manual carefully before operating this appliance.

We will update our instruction manuals if necessary.

For the most up-to-date user manual, please visit our official website: www.netta.co.uk.

You can download a copy of up-to-date user manuals at any time in electronic format. We do not supply you with a paper-based user manual after each revision.
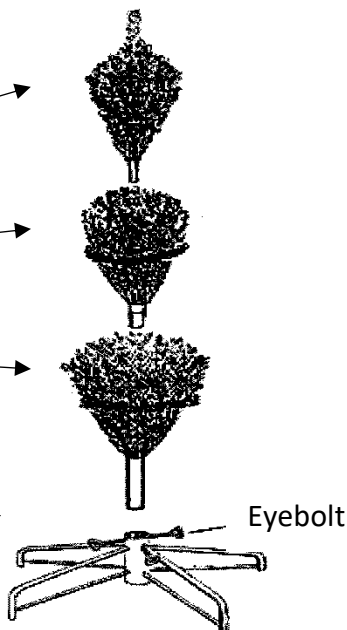

Require a larger version of this Instruction Manual?

Please download electronically from our website and use PDF reader on your device to enlarge the text if needed.

Assembling the Product

This package contains:

- Tree Top

- Middle Section

- Bottom Section

- Tree Stand

Eyebolt

1. Assemble the Tree Stand. For metal fold-up stands, open and line up the hole for the Eyebolts and insert the Eyebolts.

2. Insert the Bottom Section of the tree into the stand and secure it by tightening the eyebolts. **Do not over-tighten the eyebolts.**

3. Remove the band from the Bottom Section of the tree and shape the branches. See instructions for shaping your tree in the next section of the manual.

4. Once the Bottom Section is complete, insert the Middle Section of the tree into the Bottom Section pole. Remove the band from the Middle Section of the tree and shape it.

5. Once the Middle Section is complete, insert the Tree Top into the Middle Section Pole.

Shaping your Tree

1. Open the branch as illustrated in Fig. A

2. Form a fan shape with the front branches (Fig. B).

3. Pull two branches forward towards the centre and curve them upwards (Fig. C)

4. Place one branch to each side, curving it upwards (Fig. D & E).

5. Continue this sequence as illustrated in Fig. C, D & E until complete (Fig. F).

6. Curve the branch ends upward for a natural look.

Shaping your Tree Top

1. When the rest of the tree has been shaped, insert the Tree Top into the Middle Section Pole.

2. Pull the branches of the lower layers in an even circular pattern, curving the branches upward for a natural look.

3. Repeat for each layer until complete.
