

Multi-Purpose Cleaner Recipe

A cheap and easy recipe that you can put together in few minutes.

You need:

- 2 empty 250ml spray or pump bottles (baldwins.co.uk)
- 1 teaspoon Borax (ebay.co.uk)
- 1 teaspoon organic liquid Castile soap (naissance.com)
- ½ teaspoon Soda Crystals (or USA use Washing Soda) buy at supermarkets or on Amazon
- 1.5 cups water (pre-boiled)
- 15 drops sweet orange essential oil (buy it here www.mysticmoments.co.uk)

Method:

- Heat water in a saucepan to boiling point then turn off and let cool slightly.
- Pour the heated water into heat proof jug and add the Castile soap, borax and washing soda.
- Stir.
- Let cool to room temperature and add orange oil drops.
- Pour into pump bottles.
- Use within 6 weeks.
