**CONDITIONS OF WARRANTIES**

**THE UNIT MUST BE FITTED BY AN AUTOMOTIVE TECHNICIAN AND USED IN THE APPLICATION INTENDED BY THE ORIGINAL MANUFACTURER, AND MUST NOT BE ALTERED OR MODIFIED IN ANY WAY**

IN THE EVENT OF A CLAIM:

1. Toycomm must be contacted before any work is carried out.
2. Toycomm will not be liable for the costs of any work carried out, without prior approval.
3. Toycomm reserves the right to decide in the event the part should fail, whether it be returned to them for repair, replace the part supplied, or make a cash contribution toward repair of same, or refund on return.
4. The term of this warranty is for **(Please refer to your invoice, for duration terms)** whichever occurs first and providing Toycomm is satisfied that all warranty conditions have been adhered to. If Toycomm decide that if the parts failure is the result of negligence this warranty becomes void.
5. PARTS ONLY supplied. Labour charges can be paid up to \$65 p/h ex GST, in an event of labour works required for warranty only.
6. Any claim working out to more than the original purchase price will not be considered.
7. The maximum claim under the warranty is deemed to be the purchase price of the unit, GST inclusive
8. Should the supplied unit be used with any custom modifications, warranty will be void.
9. All works to be carried out by a qualified Mechanic.

TO VALIDATE THE REBUILT TRANSMISSION WARRANTY THE FOLLOWING MUST BE CARRIED OUT:

1. New external transmission cooler must be fitted and radiator bypassed.
2. All oil lines must be flushed out.
3. Oil must be changed after 200km of driving and transmission filter must be replaced.
4. Recommended oil must be fitted to trans before start up, then rechecked in park while idling.
