LIMESTONE FARMS

PREMIUM STRAIGHT BOURBON WHISKEY

Select Batch

A super-premium bourbon from mature barrels, expertly crafted and blended to showcase a superior flavor profile. Always full-bodied and higher proof, our Select Batch highlights the original limestone filtered water whiskey down its time-laden, wooden journey.

Limestone Farms Select Batch delivers a luxurious bourbon experience that stays true to our blending mission of: Clean, delineated flavor profiles, that deliver a full flavor experience from start to finish, rewarding you with a long lingering finish that asks for another sip.

OFFICIAL BOURBON OF

We were proud to be announced as the Official Bourbon of the 2023 Barbasol PGA Championship. World class golf and Limestone Farm's super-premium offering made for an exceptional partnership featuring superior cocktails.

BARRY DOWNING

Industry judges, stewards, and media reviewers all agree that much of the whisky's flavours come from the barrels. Crafting and blending the right barrels plays a vital role in creating an exceptional tasting experience for consumers. Limestone Farms blends the right barrels together for the right reasons, to showcase each barrel's charm in the finished product.

PREMIUM STRAIGHT
BOURBON WHISKEY

Small Batch

Savor the sophisticated taste of our Small Batch Bourbon, expertly crafted and blended to perfection. Our super-premium bourbon is carefully matured in the finest barrels, allowing its superior flavor profile to shine through. The original limestone filtered water used in the distillation process gives the whiskey a distinct taste that only improves as it ages in the finest American oak barrels.

True to the Limestone Farms profile mission of luxurious, yet clean and delineated aromas and flavors; our goal in our limited Small Batch offerings is to build memories and create conversation as you find an even deeper, broader, more complex, and longer-lived Kentucky Whiskey experience. Typically, from the same mash bill as our Select Batches, but from our best-of-best barrel and or blends.

A smaller scale release that is at its height of maturation yet yields a smoothness that is undeniable.
