

Howdy Y'all,

I hope this fall is finding you in good spirits and health. As usual we will be exhibiting at BrauBeviale in Nuremberg in November - still the premier beverage show in the world. We'll be in Hall 9 Stand 508, so please stop by.

Have you met "My New Friend®"? As some of you may already know, we have developed a truly portable beer dispenser. It can dispense beer at less than 40 degrees (°F) from a room-temperature, full-size keg. It has a very clean look and can be used as a marketing tool. See the details at www.mnf.beer. Use the coupon code MNFNEWS12 and receive a \$600 discount from the advertised price.

Thanks, Mark and staff

Book recommendation: <u>The Narrow Road to the Deep North</u> by Richard Flanagan It won the Man Booker Prize for Fiction for good reason.
