When the speaker is ON, single-press the **Mode Button** on the Speaker or Remote to switch between BT, USB, Micro SD Card and AUX modes.

—5—

TWS（TWIN SPEAKER PARING） You can pair two of these speakers for a truly grand experience.

Speaker ①   L + R   Speaker ②

Turn ON both the speakers. Make sure they are not connected to any device.

- Long Press Mode Ⓜ button on **ONE** of the Speakers.

- Both the speakers will make a single beep sound and get paired in TWS mode.

- Turn on your BT device (Smartphone or Laptop) and connect with **"Amkette CSB-16 W Speaker"**.

To discontinue the TWS functionality of the speaker long press Mode Ⓜ button. You will hear a single beep sound when TWS functionality is discontinued.

—6—

TROUBLESHOOTING

The speaker is not working.

- Check if the speaker is turned ON and the volume is adjusted properly.
- Make sure that the device is paired / cable connected and the music source volumes is not muted.

There is no power when the speaker is turned ON.

- Please make sure that the speaker is properly charged before use.

The speaker is not able to pair with my device.

- Turn OFF the BT of any other device which is already paired & then retry.
- Restart the devices and speaker, and then retry.

I am using FM mode but the speaker is unable to receive any Radio channels.

- Use AUX cable for better FM reception.
- You can adjust the speaker in different positions and directions to get a better signal.
