Mini USB Cable

Battery

Hand Strap

POWER ON

• Insert the provided 1800mAh battery.
• Now rotate the ON / OFF button anti clockwise to turn on the product.

HOW TO CHARGE

Use the provided mini USB cable with product and connect it to the USB interface of a PC / Laptop or USB charger. Depending on the charger it will take 3 to 10 hours to fully charge. The LED lights will start blinking when charging, and will stop once fully charged.

DIGITAL CLOCK SETTINGS

To set time, follow the below steps.
• Long press the Mode button, the hours clock will start flashing.
• Input valid entry using the input pad.
• Now short press the Mode button.
• Minutes clock will start flashing.
• Again use the input pad to type in minutes digits.
• Press Play / Pause button to confirm the settings.

FM RADIO MODE

• Press the Mode button to switch to FM mode.
• Long press play / pause button to search and auto save the channels.
• Alternatively, user can also type in the frequency directly & press the Play / Pause button to listen to a particular channel.
• Use Next / Previous buttons to switch stations.

USB / SD CARD PLAYBACK

• Insert a SD card or a USB drive to play music.
• Press the Next / Previous buttons to change songs.
• Alternatively, user can also type in the song number directly to play it.

USB SPEAKER MODE

Connect with a PC using a mini USB cable to play songs from your PC / Laptop directly.

SD CARD SONGS TRANSFER

• Insert a SD Card in the Multimedia FM Speaker
• Connect with a PC / Laptop using the provided mini USB cable. Your PC / Laptop will recognize the Pocket Multimedia FM Speaker as an external drive.
• Now explore the folders within the inserted SD card and transfer songs.

CONNECTION JACK

Use a Earphone / Headphone for a personal audio experience.
