

SRUBBOBY

A TOILET FOR SMALL SPACES

Snubby - Sometimes 'less is more'

**Finally – a toilet suite
that is designed with
the more compact
bathroom/ ensuite/
guest WC in mind.**

With its short projection this compact back to wall toilet avoids the annoying problem of a swinging door intruding on the user's space.

A practical, space saving design.

Rimless Flush

A valuable asset in homes where space is at a premium.

Full Sweep Action Flush

A compact design that despite its size has not compromised on comfort or quality

Soft Close Lid

The Snubby

Small and compact but no less powerful than the standard sized tornado it can still 'pack a punch' when it comes to flushing action.

Non Marking Surface

With the all new smaller ledge rimless design it will flush all your worries away!

4 Star Water Rating
