TimberSTYLE

Melamine Panels

STYLED BY NATURE
Classic | Easy-Care | Affordable

THE NATURAL CHOICE FOR A REAL TIMBER LOOK

Perfectly suited for residential or commercial joinery, these melamine panels offer an authentic timber look with ultimate convenience and consistency. Ideal for kitchen, bathroom or office surfaces, these panels can do it all.

EASY CLEAN SURFACE

Low maintenance and easy to clean, keep surfaces looking as good as new

SCRATCH RESISTANT

Hard wearing and durable surfaces that are resistant to scratches and damage

SYNCHRONISED TEXTURE

Hyper realistic wood grain with synchronised picture and texture combination

CONSISTENT APPEARANCE

Natural woodgrain look, consistent overall colour and pattern without obvious repetition

MATCHING EDGE TAPE

Easily finish all custom cut edges with matching edge tape providing an immaculate finish

DOUBLE SIDED

Get more from each panel with greater flexibility due to double sided melamine application

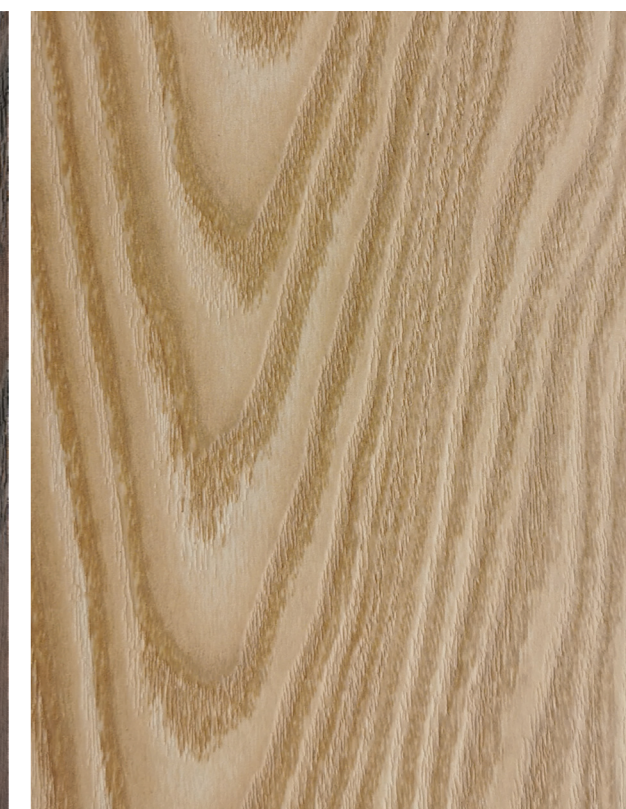

MDF CORE

For consistently flat panels without warping and clean cuts for impeccable construction
