

TORNADO V3

The better quieter flushing toilet.

The best flushing toilet you'll ever find just got even *better*

Now the quietest as well as most powerful flush, guaranteeing a clean bowl with less noise

Quiet flush

Quietest toilet in the market

Slim line cistern

Tall slim tank design

Removable soft close seat cover with over under design

Making the seat the same size as the pan allowing for a more comfortable sitting experience and one button quick release for easy cleaning

Tornado action flush

Water swirls creating strong vortex flush suction

Non marking design

Funnel shape eliminates old large shelf designs

4 star water rating

Can be used as P-Trap or S-Trap

Universal water inlet (top or bottom feed)

Strong Flush Guarantee

Even through old 80mm pipes

Comfort height pan

Increasing accessibility and comfort for taller users or those with joint pains
